Dear Mr. Hackett:

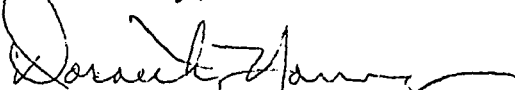

Thank you for your response to my previous letter concerning the 'Tuttle Creek Monastery'.

Regarding your collection of materials and information for nominating this structure as a National Historic site, I shall of course be happy to give you the information we have. I am in the process of compiling the information from Dr. Franklin Merrell-Wolff and a few of his associates who were initially involved with this Ashrama. Since I will be visiting in that area in late June I will present this to you at that time.

As for the "previous agreement" Dr. Wolff is checking his files and safety deposit box and I am trying to get in touch with Mr. Paul Perella 'Anthony' as he was the one who did the research.

Again, thank you for your response and I shall present you with copies toward completing the history in late June.

Sincerely,

Doroethy Young, Asst. Ed.
